

Environmental Initiative of the Year

This award is for companies, however large or small, for which sustainability is a top management priority, and where it forms a central part of the corporate agenda and company culture. Sustainability is defined as the continued assessment of impact on the local environment, a commitment to low carbon inputs and outcomes, the use and re-use of resources and adherence to regulation. You should be able to demonstrate that a direct result of your firm's sustainable culture, have been tangible benefits at a local, regional or national level.

Please note:

Entries only apply to work undertaken within the qualifying period: February 2020 and December 2021.

Your entry submission form and required appendix must be received before 10th December 2021.
